WHO WE ARE

Hiatus K9 is a Texas-based 501(c)(3) nonprofit dedicated to breeding, raising, and placing purpose-bred Belgian Malinois service dogs with veterans and first responders.

Founded by a veteran, Hiatus K9 operates fully on donations with no salaries, ensuring support goes directly into the dogs, training, veterinary care, equipment, and placements.

WHAT MAKES HIATUS K9 DIFFERENT

- ★ Purpose-bred Belgian Malinois bloodlines developed and maintained in-house
- ★ Raised and developed within the program from the beginning
- ★ Stability, sound temperament, and environmental neutrality prioritized
- ★ Quality over quantity – never a volume-based model
- ★ Multiple active placements across several states

OUR MISSION

Hiatus K9 develops and places highly trained Belgian Malinois service dogs to provide veterans and first responders with reliable, real-world support. These dogs are built for consistency in high-stress environments and the challenges our heroes face every day.
